Louie louie

Oh baby i gotta go

The communist world is fallin apart

The capitalists are just breakin hearts

Money is the reason to be

It makes me just wanna sing louie louie

Louie louie

Oh baby i gotta go

Louie louie

Oh baby i gotta go

There's a fine little girl she's waitin for me

But i 'm as bent as dostoevsky

I think about the meaning of my life again

And i have to sing louie louie again

Louie louie

Oh baby i gotta go

Louie louie oh baby

Let's give it to' em right now

(Solo)
