

Garden Party

Ooh-ooh-ooh

I went to a garden party
To reminisce with my old friends
A chance to share old memories
Play our songs again
When I got to the garden party
They all knew my name
No one recognized me
I didn't look the same

*But it's all right now
I learned my lesson well
You see, you can't please everyone
So you got to please yourself*

People came from miles around
Everyone was there
Yoko brought her walrus
There was magic in the air
And over in the corner
Much to my surprise
Mister Hughes hid in Dylan's shoes
Wearing his disguise

*But it's all right now
I learned my lesson well
You see, you can't please everyone
So you got to please yourself*

Lot-da-da
Lot-in-da-da-da
(solo steel)
Played them all the old songs
I thought that's why they came

No one heard the music
Didn't look the same
I said hello to Mary Lou
She belongs to me
When I sang a song about a honky-tonk
It was time to leave

*But it's all right now
I learned my lesson well
You see, you can't please everyone
So you got to please yourself
Lot-da-da
Lot-in-da-da-da*

Someone opened up a closet door
And out stepped Johnny B Goode
Playing guitar like a-ringin' a bell
And lookin' like he should
Now if you gotta play at garden parties
I wish you a lotta luck
But if memories were all I sang
I'd rather drive a truck

*And it's all right now
I learned my lesson well
See, you can't please everyone
So you got to please yourself
Lot-da-da (lot-da-da-da)
(solo guitar)
Lot-in-da-da-da
And it's all right now, yeah
I learned my lesson well
You see, you can't please everyone
So you got to please yourself*
