

# Expresso Love

D . . (7X)

D Bb G C (X4)

[Verse 1]

Dm Bb Gm C  
She gets the sun in the daytime  
Perfume in the dusk  
And she comes out in the night-time  
With the honeysuckle musk  
(Entrée batterie)  
Because she smells just like a rose  
And she tastes just like a peach  
She got me walking where the wildlife goes  
I'd do anything to reach her

[Chorus]

F ... Bb7  
And she was made in heaven  
F  
Heaven's in the world  
Bb7  
Oh, she was made in heaven  
F  
Heaven's in the world  
Em... F  
Is this just expresso love?  
Gm  
You know I'm crazy for the girl  
Just crazy for the girl

[Verse 2]

She call me just to talk  
She's my lover, she's a friend of mine  
She says, "Hey Mister, you wanna take a  
walk  
In the wild west end sometime?"  
And I get trouble with my breathing  
When she says boys don't know anything

But I know what I want  
Yes, I want everything

'Cause she was made in heaven  
And heaven's in the world  
Oh, she was made in heaven  
Yes, heaven's in the world  
Is this just expresso love?  
See I'm crazy for the girl  
Just crazy for the girl

[Bridge]

Am  
Well I feel so good because I feel so good  
Eb  
And I feel so good because it feels so right  
F  
I was made to go with my girl  
Bb  
Just like a saxophone  
C  
Was made to go with the night

[Instrumental Break]

[Verse 3]

And she can raise one eyebrow  
Put her hand on my hip  
And I close one eye now  
Sweat on her lip  
Oh, and I surrender to the fever  
And I surrender to the will of the night  
She love me so tender, I got to believe her  
love  
Expresso love's alright now
