This is me for forever
One of the lost ones

The one without a name

Without an honest heart as compass

This is me for forever
One without a name
G D
These lines, the last endeavor
G F E
To find the missing lifeline

[Chorus]

Oh, how I wish
C
For soothing rain
D
All I wish is to dream again
D
My loving heart

Lost in the dark

For hope, I'd give my everything

My flower, withered between
The pages two and three

The once and forever bloom gone with

my sins

Walk the dark path
Sleep with angels
Call the past for help

Touch me with your love
Bb Ab Eb
And reveal to me my true name

[Chorus]

For soothing rain

All I wish is to dream again

My loving heart
